

SUMMARY

Detail-oriented and versatile, I excel in data analytics, visualization, and automation, with strong organizational and communication skills. Proficient in Python, C#, HTML, CSS, and Excel, I've completed simulations at Accenture and JPMorgan Chase. As a content creator and video editor on Instagram, I manage two entertainment profiles, @lovekiteretsu_ and @screen._.symphony. Currently enhancing my skills in game development, I also enjoy reading mythological books and writing journals.
